If you are applying with the same idea as a previous batch, did anything change? If you applied with a different idea, why did you pivot and what did you learn from the last idea?

If you have already participated or committed to participate in an incubator, "accelerator" or "pre-accelerator" program, please tell us about it.

Idea

Why did you pick this idea to work on? Do you have domain expertise in this area? How do you know people need what you're making?

Who are your competitors? What do you understand about your business that they don't?

How do or will you make money? How much could you make?

(We realize you can't know precisely, but give your best estimate)

If you had any other ideas you considered applying with, please list them. One may be something we've been waiting for. Often when we fund people it's to do something they list here and not in the main application.
